Needle Felted

Sheep Craft Class is the art of sculpting wool with special, barbed needles. Stabbing the over and over again meshes the wool fibers together, creating a firm textile object. We will be making a Needle Felted Sheep and each person will get a kit with wool, felting needles and a piece of foam to take home with them. Patrons are encouraged to bring snacks. Beer and wine will be available for purchase.

*Must be at least 21 years old to purchase
