

The **Science and Engineering Apprenticeship Program (SEAP)** provides an opportunity for high school students to participate in research at a Department of Navy (DoN) laboratory.

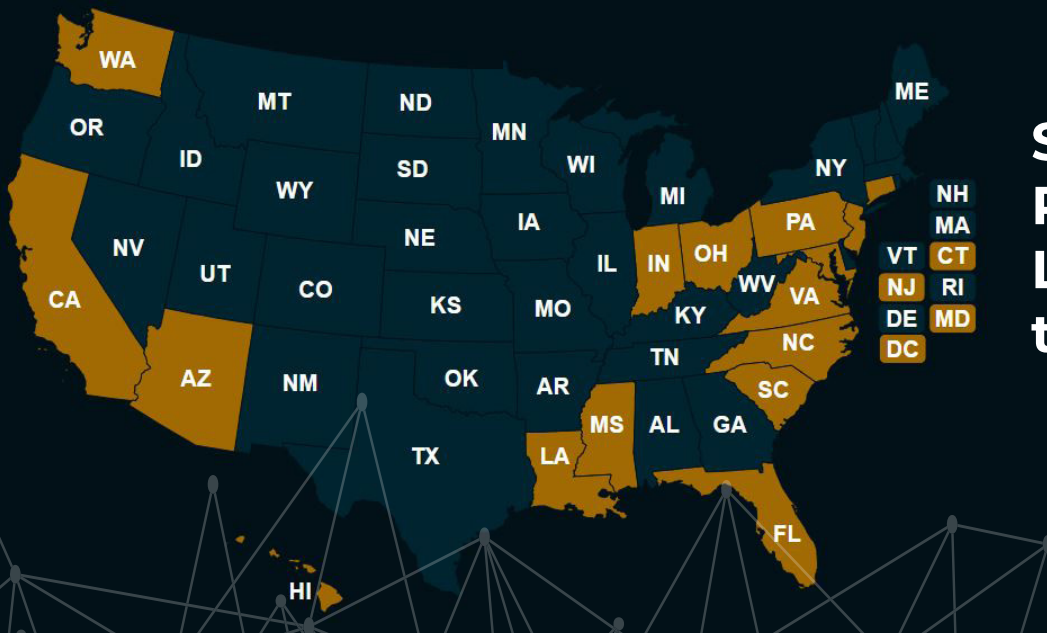

Award duration is a continuous 8 weeks during the summer.

SEAP offers a competitive **stipend** for its interns.

- New participant: \$4,000
- Returning participant: \$4,500

Eligibility

- Rising 10th through 12th graders
- 16 years of age by the internship start date
- U.S. citizenship; some participating laboratories will consider permanent residents

SEAP Participating Labs Across the Country
