EVENT DETAILS

Clubs

Triple Play: Daily Challenges—Part of the Triple Play suite of programs, Daily Challenges helps youth build movement skills and positive attitudes toward physical activity. The program consists of 32 diverse games, cooperative activities, and sports that develop a young person's ability, confidence, and motivation to be physically active.

Power Hour- In sequential sessions, young people explore academic topics such as how one learns, the power of cultivating a growth mindset, goal-setting & research. With additional sessions in ongoing enrichment & skill-building activities, from book clubs to homework help & tutoring.

Cooking Club -At the teen's request, we will be cooking some of our teen's family favorites. Besides learning to cook, the teens will work together to create a budget, shop for items, and create monthly meals.

Lego Club: You asked for Legos, and they are here! Come build with us building with us. Besides being fun!!! Legos encourages creativity, problem solving, collaboration and teamwork.

Duolingo club – Join the Duolingo challenge and choose your domain (Math, music, or a language) and see how much you can learn in 15mins a day. Rewards for longest streak and highest points.
